LIVE LOVE LEAD:

The NEW Formula for Ultimate Success and Fulfillment

When you lead from within, utilizing your authentic gifts and talents, you are loading yourself for ultimate success!

Are you yearning to experience ultimate success? Would you be interested in leveraging that success in an easier, more authentic way?

We'll examine the 7 actions you can take as a leader, utilizing your authentic qualities, so that you be both powerfully successful while still allowing the real you to emerge.

- Leading from a place of authenticity, the needed change for ultimate success
- How ultimate success is dependent of the quality of your relationships (developing your RQ)
- How to identify your 'entry point,' where to focus first, influencing the other steps you take
- The 7 actions to focus on to get your greatest results (for your business blueprint) for increased influence, impact and income

GET THE MOST OUT OF YOUR TEAM:

Increase Your ROI Through Team Collaboration

Emphasis within the organization is typically placed on structure, strategy, process and profits – all of which are important. However, the KEY to success lies in the quality of relationships within the organization.

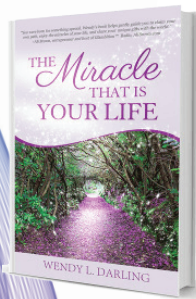

What kind of environment have you created to maximize your organization's RQ (Relationship Quotient)? The perfect recipe for creating a successful, profitable company lives within the collaborative efforts within your organization. Learning to nurture the existing genius within each member of your team makes a dramatic difference in the quality of your results. During this interactive presentation participants will learn:

- The meaning and value of RQ and how to raise the RQ levels within your teams and organization
- The advantages and disadvantages of collaborative efforts
- How to create an environment where team members are invested in achieving corporate goals
- How to steer the team toward innovation and increased productivity
- Strategies for problem-solving, handling differences of opinions and conflicts

**Berny Dohrmann, Chairman
CEO Space International**

Wendy Darling is clearly in her element when speaking. She has amazing information, and has a way to get her audiences to reach deep within themselves to find their own information and answers.

**Jill Cumnock, CEO
Ronald McDonald House - Dallas**

Wendy has a refreshing, uplifting way of presenting ideas and concepts to individuals and groups. People are drawn to her nurturing style and her anecdotes that illustrate her methodologies. She facilitated a session for our members, and people stayed late, mingling after, wanting more! I highly recommend Wendy Darling for your organization

**Helen Overfield, Executive Director
NAWBO - Louisville (National Association Of Women Business Owners)**

Wendy has so many unique talents as an experienced public speaker, entrepreneur, coach and all-around great person. Wendy presented to the Business and Professional Women's Group where she 'wowed' her audience. I know that she would be a terrific presenter for your meeting or conference.
